This compiz website has a tutorial on how to install compiz and use it. [Empyema of the thoracic cavities with auto-immunity and the disease of the nervous system (author's transl)]. A case with empyema of the right thoracic cavity and necrotizing angiitis of the CNS is described and the records of similar cases in the literature examined. Empyema of the right cavities is usually the result of trauma, pulmonary embolism or sometimes of a pleuropneumonia. The presence of necrotizing angiitis of the CNS however, makes the pathogenesis of this type of pleural effusion difficult to understand. An auto-immune mechanism, very
