There are civilized lands and there are lost lands. The latter are to Mangala what the desert is to the rest of the world. The history of Mangala is not well known, due to the many perils and pitfalls that the people of Mangala have faced. They have persevered throughout the ages. Mangalans are a sturdy, determined people who are boastful and courageous, often having to deal with inhospitable lands and situations. They are independent and self-reliant, and have a strict code of honor that binds many of them. Although Mangalans have long since lost a large part of their lands, they are still an independent race that has successfully survived. Mangalans have a slow but certain way of life and see themselves as a 'living fossil'.
