April 10, 2015 - JudasIscaiot: go to your library, search for Mount & Blade: Warband and download all files for Mac. Maybe your files are set to "Windows" ... I had a problem when I tried to download Mount & Blade: Warband for Mac via Google Play.Mount & Blade: Warband was released for Linux, Mac OS X, Windows, Mac OS X via the Mac App Store and Windows 7 and Windows 8 using the Windows Live SDK. On June 8, 2015, TaleWorlds Entertainment released Mount & Blade: Warband on Microsoft Windows - officially, for download and purchase. The game was added to Steam Early Access on July 11, 2016.
