

We have been working on making Tandor work in Dos Box and Virtual 95 on Windows 7, but so far without success. Everything works well, except for some sounds. We will get ... [discussion]. [March 17, 2011] Today we have been working on adding sound support to Virtual 95 for Windows 7, but so far without success. The application failed to start and no sound was playing. We will get ... [discussion]. [March 23, 2011] We've added support for Windows 7, but for now, it mostly only works on a Windows virtual machine. We are working on ... [discussion]. [March 26, 2011]
