We are a part of the Adventure Company Inc. Adventure Company Inc. is a Japanese developer and publisher of video games and related content. Founded in 1985, the company is known worldwide as the producer of the Tomb Raider series, Red Dead Redemption, Fallout 3, and Skyward Collapse. We are excited to start the development of this new fantasy role playing game that has been long awaited. ABOUT OLDEN RING GAME: Older than the myths. Conceived by a wise person in antiquity, it has come to this world in the 300s, 500s, and 600s. An unknown magical sword forged by the gods; the mysterious Grimmsian lands, an elven land; the royal family of the most illustrious human kingdom. The great power of the sword is sealed within the handle, and the ancient legendary lands swarm with countless dangers. Will you search for Tarnished, the legendary sword, and wield its power? Will you strengthen your heart, and the thirst for adventure? Will you take up the challenge of the aged and forgotten treasures of the Olden Ring Game, and reclaim all your lost glory? And the sword Tarnished, which once belonged to the Grimmsian god Tsuro, is also in the Elder Kingdom. A princess, a mortal human, is standing on the stage. Lest we forget the origins of this human kingdom and its history with the ruling human kingdom. As the situation in the Lands Between and human history intertwine in the 100s, hundreds, and tens of thousands of years, the fear of the gods, the belief in miracles, and the spirit of adventure will continue on. The feudal kingdoms of the Lands Between, which have been in constant struggle and warfare for centuries, have finally lost. Within the power of the Grimmsian swords, the elven kingdom of the Elder Grimmsians has been wiped out by the human kingdom of the Elder Ruins, and the Primitive Man of the planet was enslaved. The huge continent of all space and time,
