Features Key:

- **Great visuals** - the greatest playing field on the planet, FIFA 22 brings new player movements and physics-driven animations, along with new presentation methods such as motion blur, new camera moves and depth of field effects. FIFA Visual Enhancements also bring unprecedented attention to the world's best athletes by adorning them with premium, licensed kits, matching shoes and uniquely designed gloves.
- **New Team Styles** - choose from 11 striking team kits, and more than 500 new player faces, all to celebrate your favorite clubs and players on FIFA 22. In addition, new squad tactics on the field let you configure 11 completely different formations that give a total of 1815 different combinations to choose from.
- **New Story Mode** - your favorite clubs such as Barcelona, Chelsea, and the New York Red Bulls can be part of a dynamic generation model where key decisions drive the future of fictional clubs. This new gameplay mode calls for the storytelling ability of Sports Interactive, combining the beauty of footy with a meticulous approach and a great story mode that progresses as your team continues to improve.
- **Driven in Frostbite** - FIFA 22 on PlayStation4 and PC will feature a far more reactive and intelligent Frostbite engine, not only bringing out the visual detail and atmosphere found in the latest games from Electronic Arts such as Black Ops 4, Battlefield V, The Division 2, Madden NFL 20, NBA 2K20 and Star Wars Battlefront, but also improving physically based animations.
- **Jump into the Carousel** - the new carousel system lets you play all of FIFA's best modes on the go. The carousel is available in key features such as FIFA Ultimate Team and live matches.
- **Respawning Goalkeeper** - to give a unique feel of GOAT 2.0, change the main goalkeeper from your selected team in-game upon your tap of a button during stoppage time or in the penalty spot. Watch your goalkeeper spring into action in ranked matches.
- **FIFA The Journey** (*FIFA 20* required) - progress through a career as an elite footballer in authentic, immersive

What's new in Fifa 22:

- **Team Management:** Improve your team by setting your tactics and substitutions throughout the match. Review your tactics at the end of a match.
- **Playmaker Recommendation System:** Select a suggested midfielder or a defender to act as your anvil, using voice-over, match reports and coach replays.
- **Intelligence Analysis System:** Use intelligence analysis to predict the strengths and weaknesses of the opposition. Use the "Certainty Index" to form your tactics to achieve the higher percentage of success. Seeing red cards is never a good thing.
- **Limited Pause System:** In several types of play, you can now freeze the action for even shorter time periods, making the pitch feel a bit more action packed. With this, you can also freeze your player walking, sprinting or legging it in a specific area.
- **Superhuman Instinct:** An improved emphasis on both creativity and shooting accuracy, combined with close to 50 new and improved players and objects to unlock.
