System Requirements:

Notes: Now to be fair, this is clearly out of date with the late June beta, but will be close enough for everyone to be happy. I'm hoping to get back to a monthly schedule soon, so look forward to those updates! Have any feedback? Questions, comments or anything else you'd like to discuss? Join the discussion and support my game here: [Quests Now](#) that the beta is in full swing, I will be back with a new quest for us to all
