2012 FREE Trial: Navteq & Google Maps (US) for iPad FREE - Trial of Navteq and Google Maps for iPad License key: Navteq\_87A48B96A0902D6B77F8BDD8CC6E80F Certificate: 1677258 Navteq uses satellite and aerial map images which, unless otherwise indicated, are sourced from the National Imagery and Mapping Agency (NIMA). Google uses image data, aerial photographs, maps, satellite imagery and 3D building models, displayed on a searchable, clickable, 3D Earth model. Such 3D Google Earth model displays land, water, buildings with 3D models, 3D textures, point of interests, street and neighborhood information. Some information may display clubs, restaurants, bars and entertainment locations, while some other more generic information may display parks, schools, libraries, construction zones, electricity pylons and other general points of interest. There is also a public transportation section accompanied with station, line and route information. Some older attractions, roadside businesses and points of interest are not displayed. Fly-over feature are available along with satellite imagery, imagery source, and Google Earth features.
