Dr. Carole Levine THE BLOG It has been said that life is not about finding oneself, but creating oneself. This is a project I have been working on for some time. I am creating the first online resource for anyone seeking to master how to create a home for themselves, and help others to do the same. FREE TRIAL TRANSITIONS In this segment I introduce 9 transitions for different stages in life, and how to handle them. Some are easy, some difficult, but each needs to be planned and handled as it presents itself. SUBSCRIPTION In this segment I introduce you to the four stages of real estate investing. What I find most interesting is how we have gone from a society of renters to a society of landlords. SUBSCRIPTION I know that life can be tough, and when I am in a tough spot, I turn to my practice of Prunayan Mantra. The practice is not about just going through the motions. The practice is about making changes in the way that you look at the problem, and then the way that you handle the problem. SUBSCRIPTION I am convinced that knowledge is power, and this segment is dedicated to helping you build your knowledge. Let us face it, you are a human being. You will die. Most of us come into this life with a full understanding of the universe and our place in it. However, due to the pace of change, and our finite perception, you will never truly know everything, but you can learn.
