## Zaccaria Pinball - Blackbelt 2018 Table (Latest)

I made this game. This game was developed using the XNA Game Studio. The game is just for amusement and I did not expect it to become popular. Dream star can collect is can obtain when you clear stages. Dream star is a stage clear item. You can earn additional dream stars if you make play 10 stages and 10 stages for cleared each stage. Level 10 clear and 10 stage clear a star. Dream star is just a stage clear item and does not have different special effects, such as an power-up or the ability to change the color or font of the character. You can clear stages by inputting coins. 1, 2, 3, etc. coins can be input. You can earn more coins by clearing stages and you can get a bonus coin by clearing stage of various gimmicks. The gimmicks are the following: Stage gimmick Clear a gold block of the stage Clear a white block of the stage Clear a green block of the stage Clear a brown block of the stage Clear a red block of the stage Clear a blue block of the stage Clear a yellow block of the stage Clear a brown block of the stage Clear a red block of the stage Clear a blue block of the stage Clear a yellow block of the stage.
