It draws you into its rich world and creates a story that you won't find anywhere else." - Review via Google Play "I'm in love with the world of Tarnished World." - Review via Google Play "It's very difficult to put into words how much I love this game. But apart from that, the game is very well made and all the gamers out there should try it." - Review via Google Play "The characters and story are great. With the theme of the game you will be able to enjoy the game more than others." - Review via Google Play "The game is worth it. I always enjoy a game that isn't afraid of changing the world with its plot. The characters are a very enjoyable group. You will find yourself constantly looking at the female character images that comes with a lot of cuteness in the game. A mix of bad and good that keeps things interesting. Bring on the next installment of the game and let me know!" - Review via Google Play "Sell your soul to the devil of the Lands Between, and slay monsters with a powerful sword." - Review via Google Play "It's a beautiful and promising game with a romantic story that will keep you going on." - Review via Google Play "It's an amazing game that not only make you want to buy it, but will have you glued to the screen." - Review via Google Play "...The battles are fantastic, the storyline is great and the setting is a great place to roleplay." - Review via Google Play "Extremely entertaining RPG. Imagine The Elder Scrolls meets The Order 1886 and you have Tarnished World." - Review via Google Play "In short, a great RPG, unique in many ways. It's not an ideal RPG, but bff6bb2d33
