An action RPG game for the Japanese market released in 2014. The new fantasy RPG, set between the two great wars of the Disunited Kingdom and the Shadowlands, tells the story of a warrior who seeks to leave his own past behind as he leads an epic quest. The main theme is derived from the fantasy novels of Irish writer Anne McCaffrey. FEATURES: • A NEW FANTASY ACTION RPG An epic action RPG with an unlimited action system built around physical and magic combat. • Combine Your Skills and Abilities Equip a variety of weapons and armor, along with various skills, and apply them to your character as you battle enemies in the castle tower and across the vast dungeon. • Master The Vast World In addition to defeating enemies, explore an enormous world that is divided into 13 regions with 9 bosses and 14,000 rooms. Experience new and vast worlds seamlessly by moving between the open fields and dungeon as you progress. • Discover the Void Forget about loading and saving; you can instantly travel to other worlds. By exploring, you can acquire rare and powerful items and a variety of items that can be brought back to the first world. • An Epic Drama Born from a Myth You enter a new world through a sandstorm, where you follow a drama in which the various thoughts

of the characters intersect, as the set of fragments related to the novel by the Irish writer Anne McCaffrey is reinterpreted. • Full Controller Support Online and offline gameplay, through the PlayStation®4, Xbox One, and Windows PC. 1. "It has become a tradition that the first time the new games of the franchise is released, there are many

people who have not played the previous game. While I can understand that, I think that gamers who have played the previous game will be interested in this game as well." @Celastuz "At first glance, it looks like it will be difficult, but with the cute characters and the vivid settings, I will be making an effort to play it." @vivi "The atmosphere is enhanced by the large-scale events and the scenario. The world is large, so you will be able to enjoy an active, fresh experience." @boring005 "The original story might seem a bit intense, but if you continue to play, I think you will be able to gain a sense of satisfaction from the fascinating story." @VPC "The lead-in story is interesting and the gameplay is fun." @LionToch "The soulful music and voice acting are also very good. The lively characters and the areas that change according to the area are also very good, which help to make it easier to understand the story." @Mikiro "I've been to the world of Elden before and have played the series as a fan. … But I can not think of a story line that was as interesting as this one." @Celastuz "The story is interesting and the illustrations are amazing." @VPC EVENING PARTIES!
