In Windows I see in control panel: windows 8 . Windows 8 & Windows 8.1. windows 8 . In the windows 8.1 Start screen I cannot add any new icons to the start menu. My apps still show the old icons. The 'apps view' icon in the lower left corner (one like this: " ") is frozen. I cannot browse to any folder, get the message: The server could not be found. I believe that the problem is that the lower left corner icon does not open any folder, or drive. A: For each folder in the left-most pane, Control Panel | Applications | Options | Devices and Printers | printers | Ports | Devices shows that the printer is connected. The printer is found at the printer name in the devices and printers pane. At this point, it is possible to rename the printer device or to add a new printer. If the printer is not found, the Port is selected. You have to change the printer that this computer uses, this will be visible in the properties of this printer, you change this by clicking on the [...] button, the "change the printer" option will appear. Select the one that you want and you are done. The study is a prospective, multi-center, randomized, double-blind study to compare the efficacy of induction dose rituximab compared to methylprednisolone alone in patient populations with biopsy proven acute rejection in two steroid sensitive recipients. The primary objective of this study is to determine the rejection free survival at one year in the patients receiving induction vs. without induction. During the first year after transplantation, patients will be followed by a blinded, independent, central committee. Other Name: Rituximab Outcome Measures: Time to Rejection [Time Frame: 365 days after enrollment] The primary endpoint of this study is time-to-rejection free survival. [Time Frame: 365 days after enrollment] Time to Rejection will be defined as the number of days between the day of randomization and the first observed Rejection. Patients will be censored at 365 days from enrollment or when they are treated for sustained rejection. Rejection free survival [Time Frame
