The universe has been littered with terrors that lurk unknown. The menacing aliens have come for our precious Earth. You are a space geologist who seeks no single thing out, but to protect Earth from the aliens... and science. Don't miss out! "Einstuerzende Neubauten" Zum Download Are you ready to take on the challenging and thrilling year of 2018? With year of the Snake we get a lot of great games being released, including some free ones. Snake Hunter 2017 is a multiplayer game where you can play several types of games with your friends. Snake Hunter 2017 is a very addictive puzzle game, and to make you even more addicted you can earn additional coins by watching ads. Download Game Game Description Snakes are one of our favorite animals, and their survival skills make them great hunters and predators. This app simulates the natural behaviors of a Snake and shows to the user how they eat, live, hunt and what they're capable of. No more throwing rocks at Snakes with our rocks and arrows. Game Features Catch the Snakes By moving your cursor across the screen you can simulate the natural behaviors of the Snakes. They eat, sleep, wash themselves and lay eggs. Are you certain the Snake is DEAD? You have a full 360° view of all the Snakes, with an arrow indicating exactly where you need to take a close up view. Make sure you are absolutely positive, once the Snake is dead, there is no recovery. How does the life cycle of a Snake work? There is no need to "hunt" Snakes, the player is the hunter. You can ask the Snakes to hunt the player, and the Snakes will do so, as long as you are still feeding them. How to Play Earn Coins Watch Ads Request Play "Multiplayer" Game for snakes to live No more struggling alone with only your arrows and your rock to save your life. Snakes around the world will be hunting you. You can only be saved by a friend. High Score Round It's a snake duel at its best. 3 minute rounds are used to determine the number one high score. What's next? - More types of Snakes and play modes - More features and content - New User Interface - New User Experience - Better Snakes Character Designs - Improved Game physics - More game modes - Faster loading times

**Haunted Hotel: Stay in the Light:**

The unsolved mystery of Haunted Hotel: Stay in the Light is now solved. A group of hunters led by a mysterious figure have found the perfect hunting ground - the Hotel Unterwald. The Hotel Unterwald is a facility with a myriad of dark stories - from grisly murder mystery to batshit, psychotic cults, is a hidden gem in San Diego! The grounds are perfect for some post-classification recreation (first person shooter is a must), getting away from the eye of the Secret Service and prying news hounds. Best of all, there are none of the risks of dark rides or wacky parking arrangements that ride facilities come with. The Hotel Unterwald was not built to withstand open viewings of human nature, as you will soon see. We have designed a specialized and sophisticated facility for your use, in the spirit of all things western. There is no need to stress yourself with awkward, frenzied trips to gas stations just so you can be seen! We present you - the largest, safest in the area!

Provides over 8 hours of play-time in a single sitting!
