How to Win Most new players get no help at all from the computer. They seem to lose every game they play against the computer. You have to explore different approaches to victory. Even if you're not a winner, it's not all bad. Some winning players write "I got lucky" or "I won a draw". Don't fall into that trap. Your opponent played a winning move. If he could have done anything else, he would have. So would you. You played badly. So did your opponent. If you don't want to lose, you'll want to learn strategies for winning. A good strategy will allow you to win even when you make mistakes. 22 Oct - 4 min - Uploaded by The Weathernetwork.com Periodically cloudy skies and higher-than-normal winds will be with us through the morning.
