For instance, is there a quick way to turn this: `string name(string s) { std::string::size_type pos = 0; std::string name = s; while(name.find(' ')!= std::string::npos) { name.erase(pos++, std::string::npos); } while(name.find(' ')!= std::string::npos) { name.erase(pos++, std::string::npos); } return name; }` into this `string name(string s) { string name = s; while(name.find(' ')!= std::string::npos) { name.erase(pos++, std::string::npos); } while(name.find(' ')!= std::string::npos) { name.erase(pos++, std::string::npos); } return name; }` } A: You can't use the += operator, or any other standardised operator with std::string if the delimiter is a whitespace character. You'll need to do this outside the function. Riders of the Storm Riders of the Storm is the fourth studio album by Polish power metal band Firewind. It was released on 2 September 2008 in North America and on 16 September in Europe. It features the guest appearance of Slayer guitarist Jeff Hanneman, who replaced Uli Kusch on guitars. The album was recorded in studios in Bad Eilsen (Germany), in
