deals with the life of a Muhajir who migrates
from village to village. It narrates the condition
of Muhajir within the community of the
migrants. Muhajir Nama is a very unique and
inspiring. P.2d 381], where the case of a single
violation of the law was involved and the
question was whether each of the offenses
could be punished by a separate sentence. The
court said (p. 402): "To each offense separately
sentence is appropriate. The crime of
intimidating an officer is not identical with a
crime of assaulting an officer nor is the crime of
intimidating a person, or a crime of falsely

imprisoning an officer. Also there is a practical difference. A false imprisoning conviction is an enhanced sentence of one year to life in state prison if defendant has previously served a prison term of at least one year (Pen. Code, 4500), and as to each additional false imprisonment after a prior conviction a new and separate trial must be had. (Pen. Code, 747.)" Section 739 provides that when a defendant pleads guilty or nolo contendere and is placed on probation there must be a deferment of sentence. "If imposition of sentence is deferred by the court as aforesaid... the court may, in the order deferring the sentence, designate the imprisonment or fine... or both..." Clearly the language of the statute indicates that the sentencing court cannot act at a later time and pronounce a sentence to run concurrently with another sentence. In *People v. Lam* (1969) 2 Cal.App.3d 670 [
