Easyworship 6 License File

Download

Feb 22, 2021 - A license file is required only if you are installing EasyWorship 6 on a computer that is not connected to the Internet. If your computer is connected to the Internet, the license is not required, but in that case the license check will not work. EasyWorship can change the license files in the folder you specified during installation. In the license folder, you will find the EasyWorship_Cert.txt file, which will contain the authorization code and checksum. Also make sure that you save the password that you entered during the installation, because you will need it if you want to change the authorization codes or the checksum in the future.
