While these eight games make up the main series, several bonus chapters are available, including Rei (a fandisc collection of three sidestories that take place after the main plot) and a fourth, anime-only installment, Kira (a series of light hearted fanservice laden OVAs that are outside of continuity). There are also several short, manga-only arcs, usually placed before or after the main story and introducing new characters, while retaining the typical atmosphere of the series. These arcs were adapted with some new ones for the Nintendo DS under the title Higurashi no Naku Koro ni Kizuna (2008).
