After my attempt to contact the developer of the scene, I now know why the.rar is broken. It was possibly a custom CD, or sf33usa.bin, or both? https://www.gogames.net/post/244876 Check out my forum thread for some more details: https://www.4shared.com/post/1663027080-COTBdvdrp.html. I have the scene linked above, along with several others, and it works great for me. If you want a slightly different scene If you find sf33usa.bin in your game you'll need to link it to the game using a multiloading mod like ILoader. If you are having problems searching for it, I would suggest looking for something called sf33usa.scn, sf33usa.bsn or sf33usa.bsp. sf33usa.scn? SFIII 3rd Strike.
