Hello I downloaded the sims 4 language pack but it didnt seem to work, I tried downloading the language pack over and over again like a 9 times and nothing seems to work, everytime it starts to work and i get the download finished message it just stops, i had no problems after installing the game as it is and now i cant play my game as its all in english. All I want to do is change the language to polish and make it so i can play it. Greetz and i hope you can help me, I've tried the english language pack, installation, change to polish language in a lot of ways. But when i want to play my game, it's still in english. I should say i tried the regedit option and even did a restart. Thank you in advance. This is kinda important and I don't know why I can't find the solution anywhere on the internet, I installed the english language pack first and changed it to polish, changing back didn't work. So I changed it back to english then I downloaded the new english language pack but the polish language still isn't there. It's really important for me and I would appreciate it if you could help me, I changed the language from english to polish then it changed back to english, I'm really frustrated and I don't know what to do. Hello I installed the sims 4 language pack in the game and changed it to polish(which I have installed as well) and after I restarted the computer (or rather restarted my game), the game still displays in english(I opened up the game and it says english). I tried it a thousand times, same thing everytime. leo10 en fait il y avait tout ce quiil fallait dans le dossier the sims4 stranger ville Codex language pack mais comme jai pas bien lu le nfo je lai pas vu. tu decompresse aprs tu as 2 dossiers, tu copie language files dans le dossier ou est install le jeux et seulement apris.tu click droit sur language changer tu execute en admin tu choisi franais et a marche. Voila cest tout. Comme quoi il faut toujours suivre les instructions.

A beginner Sim will naturally need some training before he or she can approach any of the other Sims characters. Every kind of other Sims in the game is available as a training for beginners, and they are located in different areas of the town. Training basics will include how to do a grocery list, how to cook, how to work the washing machine, and how to handle money. Now the protagonist of the game is not a miserable sim, who constantly reminds himself of his useless existence, waiting for something to happen to him, and for a long time already. During the game, he will expand his horizons, and get several new opportunities, and he will also enjoy a carefully thought-out role in a social life. Sims have modified versions, these new characters can be created in several different ways, depending on the size of the city, how many clients and new developments your city has. Create sims for work and play, businessmen, office worker, social life, elite representatives, caretakers, and dozens of others, they all have their own unique abilities, providing you the possibility of creating a character according to your personal preferences. Now the new sims are more expressive, show your emotions more clearly. Sim Empire 4 will grab your attention on several occasions, but it will also surprise you with a new feature. The character's inner world will be recreated in an unprecedented way. Just like in real life, dreams, desires, wishes, as well as fears and doubts are just one of the many emotions sim empire 4 you must experience. Of course, it is your character, and you can decide how he is going to live his life. 5ec8ef588b
