a wide variety of  
image and video file  
formats. it has also got  
the ability to import  
them from dv  
camcorders or other

---

cameras and devices. you can easily adjust the hue, contrast, saturation and brightness of your images plus you can also crop any unwanted portions from your images. it has also been equipped with red eye removal tool plus it has also got animated text captions that can be easily added to the

---

selected pictures. the  
slideshows can be  
personalized with  
some custom titles  
and music tracks. all in  
all wondershare dvd  
slideshow builder  
deluxe is an  
impressive application  
which can be used for  
creating stellar  
slideshows of your  
photos and videos.  
you can also download  
movavi slideshow

---

maker. when you finish, you can burn it to disc, upload to facebook, or send it to friends via e-mail, or burn to disc. there are a few other features, but they are not as extensive as on the wondershare dvd slideshow builder deluxe. also the slideshow maker pro is not as powerful, so you should check that

---

out as well. if youre going to create a slideshow from existing photographs, itd be best to import them directly. otherwise, itll be much more complicated, since you have to locate them in the finder, choose them, and then drag and drop them into the wondershare dvd slideshow builder. if

---

you are going to create a slideshow from a video file, you can use the built-in video editor to import it. otherwise, you will have to use an external video converter. 5ec8ef588b
