
Free Speech To Text Software Download For Windows 7 [REPACK]

Open Speech Recognition by clicking the Start button Start button icon , clicking Control Panel, clicking Accessibility, and then clicking Speech Recognition. Make sure the speech recognition feature is enabled by selecting the Speech Recognition radio button on the Speech Control tab. In the Open With dialog box, find and select the application you want to open, such as PowerPoint or Excel. Click OK to apply the changes. If you don't want to apply changes to all applications, click Cancel to close the Open With dialog box Open the Word or Excel file. Open the desired app.
